May I remind you that the cost for representing New Cambell in the Premier League is a separate identity to the NC E Met League. Therefore you will be asked to support this by contributing

Premier League Players only: £100 towards the training courts/match court & umpiring league entry fees & England affiliation fee. **£50** is required by return of post (You all have to be affiliated to trial for Super Cup & Premier Club):

Premier & Essex Met Players: £70 towards the training courts/match court & umpiring league entry fees. **£50** is required by return of post:

As usual we hope to keep the costs down for the season through funds raised from the Junior rally and a Quiz (yet to organise). We look forward to a hard and successful Premier League season in 2008 / 09. Any player that is unsuccessful in making this squad will have their proportionate monies returned
